

**SUSTAINABLE  
DEVELOPMENT  
GOALS**

**Aisin Sustainability Conference 2022**

# Introduction

## ~Aisin's Commitment to Sustainability and Sustainability Initiatives~

**AISIN CORPORATION**  
**Moritaka Yoshida**  
**President**

**2022.11.24**

# Group philosophy

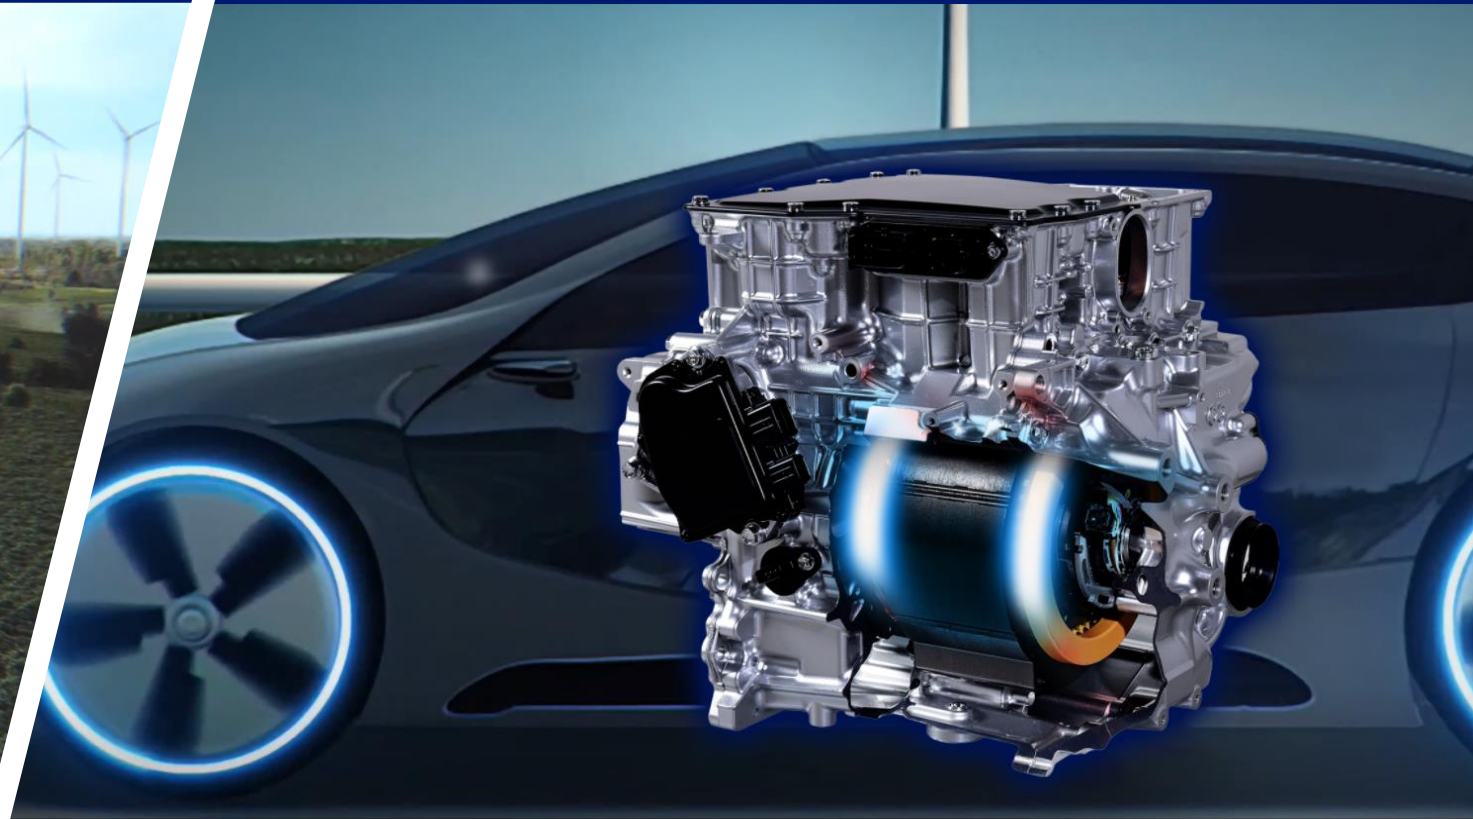

Inspiring “movement,”  
creating tomorrow

## Carbon neutral

## Electrification

**Shifting to mobility that embraces a significantly broader idea of movement  
The biggest period of change in 100 years**

First principle

# Dynamically change our course of management toward the future

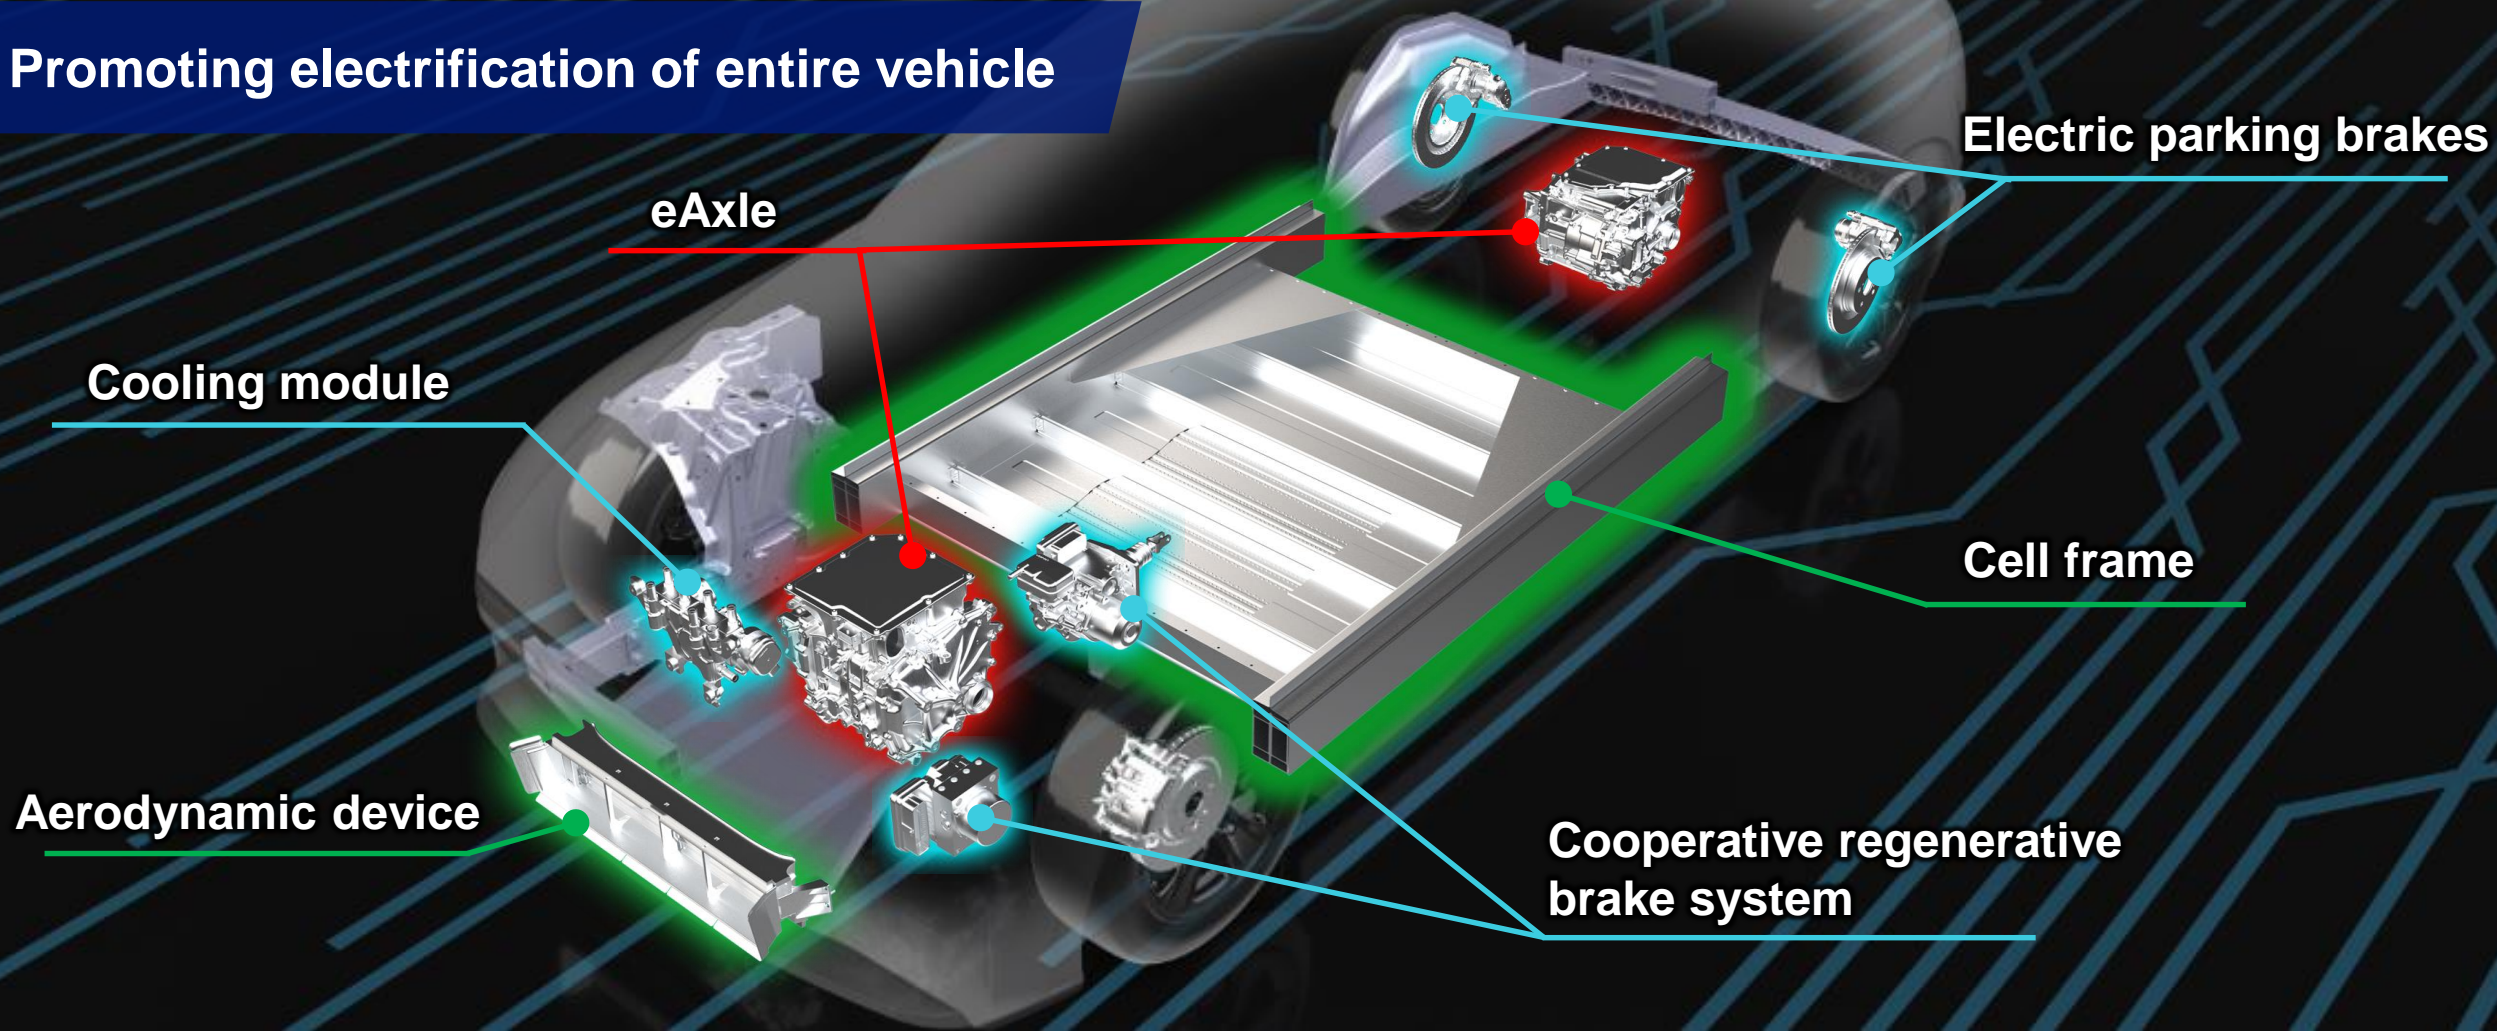

Formulated strategies through 2030; incorporated electrification and carbon neutral in management tactics

**Top priority task:  
A full lineup of electric drive units**

**Most important product BEV eAxle:  
“High efficiency” “Compact” “Low cost”**

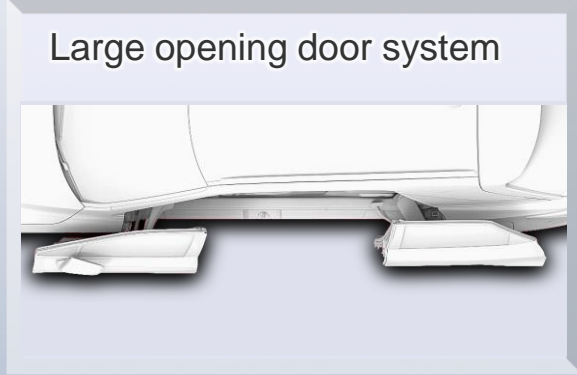

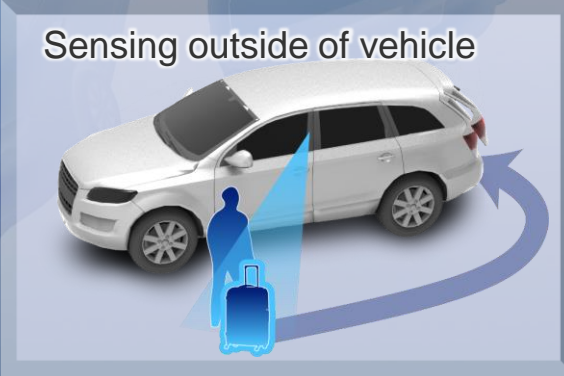

**Market launch of 2<sup>nd</sup> and 3<sup>rd</sup> generation in sight; specific production being considered**

## Promoting electrification of entire vehicle

**Expected to achieve more than 15% power consumption efficiency increase, which is far outperform then our 10% target**

# Employing sensing and AI software technologies

Enhancing systems inside and outside the vehicle for heightened relief, comfort, and convenience

Energy waste reduction

Clean energy

Resource recycling aimed at zero waste

Achieve zero-emission plants

Recycling-oriented society

Develop new business areas, worth 100 billion yen, by environmental technologies

## Second principle

**Reinforce our corporate foundation,  
improve profitability, and allocate  
profits to investment in our future**

**Integration effect of ¥100 billion; accelerate full model change of Aisin**

**2022 slogan**

**Let's take a step forward  
individually and as a team  
with an eye toward 2030!**

## Next-generation mobility initiatives

Electrification

Brake systems

Relief, comfort, convenience

Director, CEO, President: Powertrain Company  
**Yoshihisa Yamamoto**

Executive General Manager: Advics Co., Ltd.  
**Koichi Kondo**

President: Body Component Company  
**Kazuto Koyama**

## Carbon neutral

CCNO  
**Toshiyuki Mizushima**

## Capital strategy

Director, CAO  
**Shintaro Ito**
